

Stumped on what to host? Types of parties offered:

Host a Game Night

Have everyone come bring their go-to board game from way back when, like Dream Phone or Guess Who? And for an extra dose of nostalgia, have goody bags for the winners.

Have a Cake Swap

Is it worth getting a year older without the frosting and candles? We think not. Ask each guest, to not bring gifts but instead, bring their favorite cake. Have them explain why it is their favorite and then taste them all

Host a Movie Night

Think of a movie that always brings a smile to your face. Now imagine watching it from your lawn chairs under the stars or inside the decorated hall. The farm can be decorated with string lights, cozy blankets, and plenty of hay bales for outdoor celebrations. Ask each guest to bring a lawn chair for added comfort.

To make it fit for a celebration, pick a theme and watch only movies that go along with it, like romantic movies or 90's favorites (*Bring your DVDs – we have the projection and screen*)

Host a Murder Mystery Soirée

Assign each guest a character to dress up as ahead of time; we're partial to those pre-planned by Night of Mystery because they do the work for you. Simply download everything you need in advance and you're good to go.

Host a Barbecue

Go casual with a grill and refreshing beverages, and your best pals at the farm. Enjoy the use of corn hole boards, horseshoes or ladder toss game. If you are real energetic, give a go at volleyball.

Host a Dinner Party

If you're not one to make a big deal about your birthday, we understand, but that doesn't mean you shouldn't celebrate at all. Instead, throw a simple dinner party with a few of your closest friends and enjoy!
