## ***B&B Guest Gallery***

Refer to our “Farm Activities” page for our current offerings.

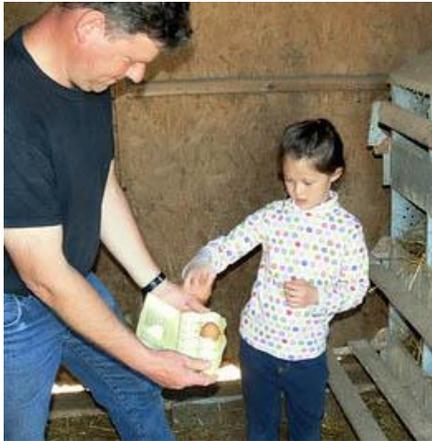

The interaction that the farm animals enjoy with children, also brings out the “child” in adults.

Enjoy the gallery of our many guests that appreciated experiencing being farmers – both the young and the “young at heart”.

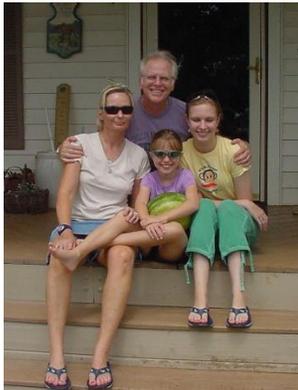

Families; large and small  
have enjoyed respite --  
removed from the hustle  
and bustle of daily life.

Getting away, relaxing and  
being with each other as  
friends and family.

Partaking in the many activities offered in our packages, is what makes a CornerStone Farm getaway memorable.
