*R*ead what our guests are saying about their stay at CornerStone Farm ...

Our first trip after arriving to U.S. An experience we are not going to forget. Meeting with Barb, enjoying the beautiful farm, excellent food, very, very comfortable stay. Having fun is all we will be remembering of our one night stay here. Thanks for inviting us and making sure we have a fabulous time. God Bless.

Vipon and Anu

We loved the time here. It was like taking an intimate part of your family and being a part of it. It was educational to learn all the things about the animals, especially the goats. The food was EXCELLENT. It was like visiting relatives, but quiet and relaxing. Thanks for opening your home to us and sharing your time, history and faith with us. May God bless you all in your future endeavors.

Jon & Katie

We loved the peace and quiet and especially the home-cooked dinners too!!

Lisa & Allen, Theresa, Beth, Pat

This was a perfect vacation! Thank you so much for the kind introduction to your life on the farm, the excellent home cooking, and the chance to enjoy this beautiful environment. We all learned so much and had a truly wonderful time here with you!

Samuel, Susan, Elliot & Devon

We had the best time here! It was the perfect getaway. My daughter loved all the animals and activities. She is already planning our next visit!

Heather and Haley

We had a lovely time on your farm. It's the perfect mix of busy and free-time. Your animals are simply a joy. We wish we could take some baby goats and ducks home. Sarah especially loved her pony ride. We felt very welcome and at home here.

Brad & Sunni, Sarah

Dear Barb and Ward,

Thank you so much for the experience of your farm again. We will never forget the experience of helping in the birthing of the baby goats (kids) that first day we arrived and the momma goat. It was such an unbelievable moment when we brought "Rocky" back to life and he ended up being the strongest kid of the litter! We also had a great time fishing, relaxing, trail walking, collecting eggs, and eating all the yummy meals. Thank you again for making our 2nd trip so very special.

Sylvia, Alan & Jensyn

Thank you for a fabulous getaway with our friends. Sean will never forget having the Pekin duck born in his hands or bottle-feeding the baby goats. The food was amazing!! Sean also overcame his fear of snakes. Thank you!!

Shari & David, Sean, Ryan

I really enjoy the tranquility and peacefulness of your establishment. Thanks for the wonderful hospitality and delicious food. Hope to return again. Thanks!!

Dorothy

We very much enjoyed the hospitality ~ dinner and breakfast were great. It is a real pleasure to spend time in this restored old home, so exquisitely furnished. We all enjoyed seeing the animals, a first for us. The only regret is to leave here to return to the maddening crowd. We are glad to have met Ward and Barb

Libby & Lou, Alayn

This place is so cool! My mom and I are loving this place! Thank you for making it enjoyable! I like when scary things happen (like, goats trying to eat my clothes - not really) They turn it into an adventure! I hope that we can come here again someday. May the Lord bless you.

Gabrielle (daughter), Lisa

Want to thank you for making my first visit to your home such a wonderful experience. I very much enjoyed my stay and look forward to returning (hopefully for pleasure instead of work next time). It is a blessing to meet people like you and see how you incorporate your faith into your work. Thank you again for such wonderful hospitality. Your place is beautiful.

Sandra

We had such a great time (yet again)! The food was always EXCELLENT and you always found a way to keep us occupied, even if the weather was not permitting. Thank you for such a wonderful time.

Leigh & Joel, MacKenzie, Karissa, Paxton, Dario

Barb & Ward, we are absolutely amazed at how much we were able to do in just a couple days at CornerStone Farm and how much fun everything was for our kids - Alexandra (3) and Grant (1). You were ideal hosts as you extended a warm welcome in the bed and breakfast and served as personal guides to all the farm activities. We've joked that the only problem with the weekend was that there weren't more farm chores because of Alex's eagerness to help care for the animals. As for the turtle shell we found on our hike, once it's been displayed at show-and-tell we'll send it back. Thanks for a great trip,

Rachel, Jack, Alex, & Gran

Dear Barbara & Ward,

Thank you so much for your great dinner, your special breakfast cooked so perfectly & your warm hospitality. I especially enjoyed the company & conversation.

Doris

Dear Barb & Ward,

Thank you for your warm hospitality for our large group. The food was wonderful and the children had a fantastic time. we hope to visit again.

David

Barb & Ward,

Once again your hospitality and generosity provided us with an outstanding family vacation. Thank you so much for sharing your world with us and providing such memorable experiences. I can't wait to come back again. Especially for Barb's "famous" mac and cheese!

Joel and Leigh

A Mother & daughter needed a getaway. What a great relaxing time we had. The food was wonderful. Animals - especially the goats were so fun! I couldn't help but think about all the work that is involved to care for your farm and animals, plus hosting guests. The Lord has definitely gifted you with the gift of hospitality

Darlene and Tracy

Hi Barb,

Ava and I had another wonderful weekend with you and Ward, and we just want to thank you again for your hospitality. We look forward to seeing you both again in the fall.

Michelle & Ava

Mr. and Mrs. Halligan,

Thanks a lot for all your kindness and hospitality. We really needed the atmosphere your comfy home provided. I haven't had that much rest since I was a teenager on summer break. Hope to stop by again. Take care of yourselves. As for us...back to the hustle and bustles of work and family. God Bless you and keep you...till next time,

ChaNae and Silas

Hi Barbara, Ward and Bill,

I'm still enjoying the memories of being with Miranda on your farm. Miranda was in her element with the animals and the outdoors... as well as your home. She kept telling me it was the perfect place to stay... a lot better than a hotel.

Her pleasure and delight in the entire farm experience was beyond my wildest expectations. And, I was really surprised to find that I felt like I had come home. I truly can't remember ever having such a stress-free vacation.

My best part were the babies. You set a beautiful table, too! Yum Awards for every dish. We liked the idea of "snacks" before the full breakfast. Were we just so hungry after chores (mostly watching Barb!) that everything tasted so great... or was it the fresh eggs? I can't seem to duplicate your French toast, Ward. So, thank you, thank you, and God Bless.

"I like the farm and thank you for letting me come.

Miranda - Child

Jo - What a joy to watch Miranda have a chance to be around so many animals, express her delight with them and be able to pet them as much and long as she wanted. We are leaving wondrously full of great food, fellowship and God's creations.

Jo, Miranda

Ward & Barb,

Thank you very much for providing delicious foods! We had a wonderful Thanksgiving! Merry Christmas and Happy New Year!

Jin's, Huang', Wang's families

Ward & Barb -

We had such a wonderful time at CornerStone Farm. We can't thank you enough. It was an experience our kids have never had & one they won't forget. The house was great, the food was great & the the animals were just amazing. Your hospitality and patience were overwhelming.

Brad, Melissa, Chase & Sydney

Thank you both for your hospitality. We appreciate the opportunity to visit the farm and give the kids a learning experience! Erin & Keller have been looking forward to this for a long time - and maybe this time Keller will understand more of what it's all about. Thanks for everything.

Thank you very much for your Christian hospitality, delicious home cooking and abundance of affection/kindness toward the children. We thoroughly enjoyed every second of this awesome vacation - from milking the goats, making cheese, making soap and gathering chicken eggs to petting the donkeys and taking nature walks. I will spread the news of this paradise hide-a-way to my teacher cohorts, my friends and my family. Coming here has been a blessing and this is now our favorite bed and breakfast

Jill, Madison & Sophia

Thank you for a wonderful farm experience! Delaney loved having a baby goat to play with and goat packing. Going into the pastures was fun too. Milking the goat by hand was a favorite of everyone's. We enjoyed your hospitality and excellent food. The fishing was John's favorite by far. You have a warm and welcoming home- it was truly like visiting family!

John, Melissa & Delaney

Last few days were really wonderful! It was fun milking and feeding the goats; the kids enjoyed hanging around with these gentle and beautiful animals! This farm is truly a haven; very beautiful and relaxing. It transports us to a different place where we can take time to appreciate and enjoy the lovely animals, flowers, butterflies, and cool breeze ... and all God's creations!

Peter and Junni

This farm is SO fun! And the baby goats are really cute! I really liked collecting eggs! I hope we can come back! We had a huge bon-fire. The bon-fire was really fun!!!!

Cassi Creason (age6)

This experience was just what we were looking for. It was relaxing for the adults and great fun for the girls. We all had a wonderful time. Ward was a terrific host. We're sorry we missed meeting Barb (in Alaska).

Cami & Jared Creason

Dear Barbara and Ward, What a fantastic experience. Kaitlyn has been showing her book to anyone that will look! I know you were very busy when we left with the new born goat! What a great way to end our weekend. Kaitlyn is telling everyone that was her favorite part! Holding as she puts it a 3 second old goat!! Thanks again for a trip Kaitlyn will not forget. - email-

Wow, what a fantastic mother/daughter trip. Kaitlyn and I really had a wonderful time and look forward to coming back. We felt like a real farmhand. Thanks so much for making Kaitlyn's dreams come true. - Guest book -

Laura and Kaitlyn

Thank you so much for your wonderful hospitality. Thank you especially for giving us the incredible experience of witnessing the birth of Medallion's babies (goat). Although we were scared at first and didn't know what to expect, it turned out to be one of the most memorable moments of our lives! What a miracle! Thank you!

Tara and Chris

The food was amazing, I think I gained 10 pounds. I'm a city boy, my wife grew up in the country. She fell in love with all the animals, I fell in love with the goats, and my son LOVED the cats and dogs. It was truly an extraordinary experience. Barbara and Ward opened their home and hearts to us, answered our questions, took care of us, and still had time to run the farm. Truly special people, the perfect getaway my family needed. The sunset, the birds, the chickens - everything we hoped it would be and even more. They shared God's love, God's beauty and nature with us as if we were family. We loved this stay so much, we hope to come again and make it an annual event, as long as they allow us to come. Last but not least, my son was the happiest he's been in a long time. Special wonderful place. Thank you so much.

Haran, Roberta and Matthew

Thank you so much for making our first anniversary so great! We thoroughly enjoyed the food, scenery and sharing animal conversations! A special thank you for the basket of goodies & the cider! God bless you -

Grady and Jessica

Thank you so much for the wonderful time on your farm and the most interesting glimpse of American everyday life. we enjoyed your terrific meals and your hospitality a lot. (from **Rheds, Germany**)

Hi, Barbara & Ward!

This is just a short note to let you know that we made it home to Germany safely. The stay at your farm was definitely the highlight of our vacation to the US - all family members agree on this and it is very rare that all four of us agree on something :-)) We enjoyed your company and the beautiful house, loved the animals and the delicious and generous meals you prepared! We wish you all the best, greetings from Germany - Maybe you have any use for the enclosed pictures...

Gabi, Barnhard, Johannes & Judith Germany

Time now for you to getaway and relax ...

We thoroughly enjoyed our stay! The food, the animals, the scenery - it couldn't have been better. what a wonderful, relaxing vacation. I finally got the chance to experience the Nigerian Dwarf goats first hand and they were even more friendly and beautiful than I expected. Now I know I want some of my own! We loved helping with the goats, making

cheese, the bonfire ...You made us feel very welcome. *Rusty vows to come back and catch that elusive bass!* Thank you so much! We will miss the baby goats!

Kelly, Rusty & Brendan

Barb, I had a wonderful time learning and seeing all your wonderful farm animals. The animals were hilarious to a good ole city girl like me. I loved watching those crazy bucks and experiencing the whole milking procedure. WOW, what a really nice farm! Thanks for being so kind and patient as we asked a million questions. Take care and hope to see you again. God is amazing.

Stephanie

Wow!! This was so much fun. I had never milked a goat or any animal for that matter. Making cheese and I could eat it too- WOW! This was an awesome retreat getaway. Thank you for opening your home and your hearts to me. I greatly enjoyed your company. This was so fun. Thank you,

Linda

A house is just a house. A farm is just a farm. Seen one donkey, cow, goat, sheep, seen em all. At least that is what I thought until I spent the weekend at CornerStone with Ward and Barb. You have added a uniqueness and sincere love for what you have that makes others fall in love with "farm life" God has given you such a wonderful ministry & it is awesome watching you serve. Thank you!

Robin

Thank you, Barbara and Ward, for letting us fish in your pond. And thank you for letting us help with the farm chores. We had a great time. I also like making soap and doing pony ride.

Michael, Inna, Alisa & Nicholas

Thank you for such a lovely time - too many good things to name/list. We had a wonderful anniversary and Mary had a fantastic birthday. Thank you thank you!!
(and Shelby too) GET HYPE!

~ *Justin* ~

We had an AMAZING time. I'm not sure what we enjoyed the most -- spending time with all the critters or getting to know you and Ward. The land, the animals, the farm, the house, the experiences, your cooking, your hospitality, your kindness, your knowledge and passion about the animals and your farm -- I could easily go on and on! -- ALL of it made our stay an experience we will never forget. From the moment we arrived and the birthday cake you gave me that night, to our drive home with the remaining cake you packed with forks and napkins -- it was a wonderful and heartfelt experience that went beyond staying at a typical bed & breakfast. Thanks to you, Ward and all the animals (and Justin) for giving me the best birthday imaginable. Much love, ~ *Mary* ~

Justin & Mary

We really enjoyed our walk on the trails. It was an interesting weekend. It was good hearing someone saying how good God is. I love to hear God's praises.

Carol & Homer

We would like to thank you much for our lovely stay at CornerStone Farm. Thank you for the extra touches to help us celebrate our 20th anniversary. We loved everything from the room, the delicious meals and of course the animals. What a blessing to see the two-week old calf and recently born donkey. My favorites were the 2 white baby goats. Thank you for this wonderful, relaxing, experience.
We loved it!

Vivian & Henry

This is our fourth visit and it feels like we are coming home. As always, we learn so much from you both. The food was fabulous and delicious - just like every other visit. Thank you both for your kindness towards us and your patience with our children. They look forward to coming here as much as we do.

Nichola & Jonathan, Anna, Amy

Dear Ward and Barb, Becky and I stumbled upon a little piece of paradise when we found CornerStone Farm and it was practically in our own back yard. It was exactly the experience we were looking for with the added bonus of finding two new friends. Fondly, the "forgettables"

Laura and Becky

Thank you so much for everything during our stay. Ashley loved the trail ride and all the animals - particularly the baby goats. I know she won't stop talking about this vacation for months and months. I don't know what I'll be able to do next year to improve on this vacation. Thank you, thank you!

Natalie and Ashley, The Colony, TX

Hi Ward and Barbara! I can't thank you enough for the wonderful time and hospitality shown to the children and myself this weekend. It was great to see everyone again and a time to make some more sweet memories as well as recall some from the past. The two of you were 'perpetual motion machines' in the running of the farm and hosting our visit. We can't thank you enough!
Mike and the kids

Mike, Kaitlin, Chris and Lauren, New Bern, NC

Dear Barb and Ward, Just a note to say hello and to tell you once again how fantastic our stay at CornerStone Farm was. Becky and I had a much-needed opportunity to relax and enjoy a way of life far removed from what we have known for many months. Your hospitality was warm and inviting as your home and we hope to make a return visit in the Fall. Fondly,

Laura, Goode VA

Ward and Barb, just wanted to tell you both what a wonderful, peaceful, & relaxing honeymoon we had at your farm. We couldn't have asked for a better trip. You are great hosts and your animals are excellent neighbors.

Darren and April, Lester, W VA

For Ruth, it was the comfort of your home (a home away from home!) and the delightful conversation with the both of you. For Ross, it was milking the goat, a little fishing, and regrets only not having the time for a walk and a bonfire. For Kyle, it was loving your animals and your kindness to allow his help, and for Cindy - the great food that I didn't have to prepare, the beautiful view of the pond in the morning and the joy of having chosen on accommodation that pleased us all so much and gave us a special experience to share. We would love to return if the opportunity presents itself, and we truly felt God's love in sharing your home for a bit!

Cindy and Family, Media, PA

What a blessing! We Love you guys

Ward and Barb, Thank you! We really enjoyed our conversations with you and your friends. It was really uplifting to be in your home. We enjoyed the delicious meals, the scenery, the animals - a perfect weekend getaway! We'll be back & we will tell our friends & family about your B&B also.

Joshua and Shannon, Amelia, VA

Ward and Barb, this time of rest has been so peaceful and truly an answered prayer. I truly enjoyed the beautiful scenic views and seeing all your animals close up and for the first time in real life. You both are so accommodating and have made our vacation perfect. I needed the rest and the both of you were so kind to allow me the opportunity to rest without feeling guilty or pressured into doing anything. Thank you for opening your home to me and allowing me to bring my Louie (dog).

Anna, Virginia Beach, VA

Barb, can't thank you enough for this wonderful stay. The animals speak for themselves(!), but it was also the hospitality and kindness that you both showed in sharing your home and some of your daily lives with us that was the true gift.

Nancy and Howard, Bethesda, MD

Hello dear friends in Christ, Our stay with you was a blessing to us at a time when we needed a peaceful retreat from the many businesses with which we need to deal right now. We had such a beautiful stay with you and look forward to a return visit in God's time. Love in Christ,

Mary and Jim, Middleton, MA

Enjoy your vacation, stress free ...

Ward and Barb -

We want to thank you so much for your "gifted" hospitality! There are no coincidences when He puts other believers together. We thank you for sharing with us & others what God has blessed you with!

Sandi & Al Lane

This lovely place is more than a B&B. Ward and Barb made us feeling of a country home we wanted to stay once in a lifetime. Home cooked foods, animals, open space, and fishing etc. We thanked my kids to find CornerStone for a weekend of our 21st anniversary and Ward and Barb for unforgettable hospitality.

Son-ku and Young

Hello Barb and Ward, thank you for the hospitality and great food you cooked up. Cierra, our granddaughter, and her friend Haley loved the unique experience of staying in your home as a farm bed and breakfast. There isn't much one can do to compete with all the electronic gadgets that fill their lives but this did it. As for Becky, well what can I say. I think it was pretty obvious she would have gladly stayed in the barn. She missed her calling somewhere along the way. Dorval and I again thank you for being our host. If we get a chance to come again, we will look you up.

Susan Pennington Price and Dorval & family

We spent a wonderful afternoon exploring the farm., Anna will forever remember petting the horses and donkeys. After a delicious meal the girls are fast asleep and I am beginning to feel the stress melt away. This is my personal paradise! Breakfast was superb! Thank you for such a wonderful retreat ~ I am leaving feeling pampered and we can't wait to return in March :)

Nichole and Jonathan & Amy and Anna, Raleigh, NC

My husband surprised me with a weekend getaway for our 30th wedding anniversary. He couldn't of picked a more pleasant place! We have enjoyed the stay! Barb, thank you for your hospitality and wonderful meals. Your house and farm are both beautiful. We will be back!!

Rob and Hazel Hampton, VA

Just wanted to say hello and let you know the impact your farm had on our lives. The kids talk daily about cornerstone farm and many times they are playing cornerstone farm. Kyra has devised a milking station in the front yard that is hilarious. They each still pretend to take care of the goats.

Actually, God's faithfulness this whole past year has been nothing short of miraculous and your farm was just one piece of the puzzle for us. I hope you don't ever doubt the use of your place for God's glory because it truly was a safe haven for us where our family could get away and have a bonding experience. It was such a blessing.

We think of you often and hope it has been a profitable season for the farm as well as enjoyable.

Love,

Joy and Dirk, Kaden, Kyra, Jacksonville, FL

Thank you for a lovely extended weekend stay. The farm was lots of fun for the children. - especially the fishing, and visiting the animals. But mostly, it was just a wonderful time to slow down and escape the cares and busyness of city life. Thank you again and good luck in the years ahead. Blessings always.

Bonnie & David, KC, Holly Falls Church, VA

This was a most amazing and relaxing experience. Thank you so much for your delightful hospitality. Kind regards.

*Heather & David, Luke **Derbyshire, England***

In life the Lord grants blessings and our stay here was truly a blessing to meet and share in your wonderful home. Karen and I thank you both very much. Everything was great from dinners to fishing in your pond and sitting with the goats. Our prayer is that God will continue to bless you both Barb and Ward in all that He has put in your care. Thank you for the blessings.

Todd and Karen, Westminster, MD

What a sense of peace and beauty here! Fellowship with fellow Christians is a treat! "Family dinners" was absolutely super. We hate to leave.

James and Mary

Yet another wonderful stay at our favorite B&B & farm. This time the weather held and we crammed so many activities in 2 days. I can hardly believe it! Everyone had so much fun! & All 7 of us got to do everything we wanted to. Thank you so much for working so hard to make this happen. As always, the food was plentiful and delicious. We will all remember the goat packing picnic! It was fantastic!

Nichola, Jonathan and Anna, Amy, Raleigh, NC

Many thanks for everything, again! We had an amazing trip again, but especially with the baby goats and seeing Paige give birth to the new ones! So many miracles here! We love you guys and can't wait for the next time.

Andrea & Kevin, Anthony, Carolyn, Cecelia, Woodbridge, VA

Our third time here and it gets better every time! Your Hospitality makes the stay here so much more enjoying. The kids had a blast fishing in the pond, riding the ponies, and seeing and petting all the animals. We can't wait to come back next time.

Michael, Janice, Meghan, Missy, and Jason Jackson, NJ

This was our family's dream come true. We will be back as long as you are in business. Thank you so very much for the kindness to the children especially.

Chris & Rosemary, Hunter, Jackson, and Rosa

We felt as comfortable as home, what a wonderful farm. Thank you for your kindness. God Bless.

Marv & Roberta, Southfield, MI

Dear Barb and Ward - You have welcomed us in your home and treated us like family. Your home and land and animals are all so beautiful. Every single meal was outstanding (the best burgers ever, the best tuna ever)! :) You treated our children with such loving care that they will miss you as much, if not more, then the wonderful

experiences you have provided. I (Jen) will never forget your sweet red-haired goat whom I now call "Rahab". You have put a longing for the country in this city-girl's heart!

My favorite part was hiking on the nature trails ... who would have thought?! Jay's 3 favorite things were the meals, the hiking, and the mountain biking. The kids really loved the bonfire, the baby animals, and YOU.

Thank you so much for a most memorable Father's Day weekend. God bless you.

Jay & Jennifer, Anna, David,, Hickory, NC

We loved everything and everybody here in this wonderful home, for every soul! We are very happy we were here and got to know very precious people, Ward and Barbara. Be God's blessing always with you and your farm so that everything will go as we experienced. Whenever you will come to Germany ...

Andreas & Melanie, Helena, Alexander, Flonea, Duesseldorf, Germany

Barb & Ward, our time here has been truly a blessing. Thank you for the wonderful experience of farm life, the memories we will take back home to Louisiana and especially for your time and patience with Brittany. May God bless you both.

Randy & Donnell, Brittany Bourg, LA

Dear Cornerstone Farm,
I loved staying with you. It was so much fun. I loved playing with your goats. I loved seeing my dad rescue "Fatso". I wanted your baby goats; they were too cute. I loved milking your goats and playing with your donkeys. – [A child's perspective](#) -

Thank you so much for sharing your beautiful life with us. You made us feel like part of your family as soon as we walked in the door. You made our stay and especially Sarah's birthday, something we will always cherish. We can't wait until we come back "home" again. May God bless you and keep you.

Anita & Evan, Michael, Sarah, Arlington, VA

Your room is waiting for you ...

We found your place on the Virginia is for Lovers website - and we loved staying here. This is a beautiful, peaceful farm and we really enjoyed your sharing it with us. Thank you so much for making our first "B&B" stay such a memorable one. The food, the hospitality - incredible! You two are very special and we thank you for giving us the opportunity to experience your wonderful farm. We are planning a return trip sometime in the Spring. I can hardly wait. Thank you again.

Donna and Tom, Portsmouth, VA

Peacefulness. Beauty. Warm company. CARE. We found all of this at your lovely farm. Thank you for bringing us into your home. All was marvelous.
Thank you, Thank you, Thank you

Elise and Stephen, Arlington, VA

Thank you so much for the candy, Christmas gift basket, and your kindness and patience. You've given us a very memorable Christmas which we can cherish forever. Everything has been delightful! We wish you the very best in your future years. May you grow and prosper and always be happy.

Shirley and Todi, Shalimar, FL

My wife and I wanted to get away for our 3rd anniversary; my wife found CornerStone Farm on-line and we came to agreement this is where we were going. The night we arrived; it was the best hospitality you could get. From dinner and all the rest of the meals, they were excellent, and you never leave hungry. The activities from feeding the goats animal crackers or milking the goats, my wife thought was the best ever, to going hiking through trails and scenes that words couldn't describe. CornerStone Farm, if you enjoy nature, animals, and food; there's no place anywhere else in Virginia.

Richard and Marie, Richmond, VA

You both are certainly blessed with a gift which make strangers feel like family. Meal times were relaxing and fun, and the food was wonderful. This was the first B&B experience and I will have memories for years to share. I appreciate your blessing the food and pray that God will bless your home and work, and know that many guests will be blessed as I was. Thanks again for everything!

Karen, Jonesville, VA

Barb and Ward, I just wanted to say thank you for making this holiday the best ever. You made sure all of our needs were met and made each of us feel special. By the time we left, you all were like family, without the fighting. :o) We will be talking about this Thanksgiving for a long time. Take care, Donna.

Donna and Ryan, Midlothian, VA

We had a wonderful time. It's nice to find a bed and breakfast that not only allows children, but welcomes them. Our son had so much fun here. Thank you so much for the hospitality. We wish you lots of success and happiness.

Mae and Jamal, Raleigh, NC

A lovely stay - the grandchildren loved the farm animals. The rooms are marvelously comfortable and so restfully decorated. We'll spread the word! The best for me (Mary) was to meet and fellowship with a new sister in Christ - an unexpected "God" incidence!

Jim and Mary, Middleton, MA

It was a great trip. We were treated like family from the moment our feet hit the ground there at CornerStone Farm. You truly have a piece of heaven carved out there. Philip and I both enjoyed different things about the farm. I was crazy about the animals, and wish I could have stayed longer. Those goats are great little creatures We will be keeping in touch and hope to be back soon. Take care. We loved it there

Kay and Philip, Richmond, VA

We had a great time. This was our first B&B experience and it set a high standard. Ward and Barb make your stay feel like you were visiting family instead of an unsocial hotel stay. The house pets were "lap pets" and all the "kid" goats, 29 of them, wanted all your attention. For those who fish, we caught the little ones, but saw several 2 - 3 foot bass. We left them for you to try to catch.

Kristan & Jenny, Powhatan, VA

***The great outdoors
are calling you***

Only God could have arranged our stay here. After a couple of hours of going in circles, we found you in a booklet given to us by another motel. We were entirely blessed. Celebrating our 7th anniversary (seven is symbolically "completion" in the bible) in such privacy and hospitality and with a delicious breakfast could only have been improved on if we had more time!

God bless you all and your efforts! Hope to see you soon! Thank you for taking us in on such short notice. It was a blessing.

Kris and Lisa, Chesapeake, VA

What a great family vacation! We loved all the chores, activities, meals, etc. We felt like part of the Halligan family! We can't say enough good things. Thank you!

Scott & Eileen, Jack, Jon, Manassas, VA

This has been a wonderful experience for city dwellers like us. We particularly enjoyed the little tour around the farm and meeting all the animals. Euan was especially thrilled to see the animals up close and to be able to pat them. Thank you Ward and Barb for your warm hospitality, great food and a great stay. God bless both of you.

Jean and Family, Singapore

Awesome! Hospitality, warmth, food & more food, delicious. Love to be back with nature. Rest, relaxing, smells (of all types) were very welcomed. The best vacation we had for some time. God does send us to meet some great people along our journey in life. You two & Ted were the best. In the deepest appreciation and heartfelt thanks, we had a wonderful time. God's peace & blessing abound

Dave & Pat, Baltimore, MD

What a great time - thanks so much for the anniversary basket, but most of all your warm hospitality and good food, extended above and beyond in Jesus' name. May God bless you in your stewardship of His gifts and enlarge your ministry - you are already doing wonders in His name - giving people a glimpse of what it was like before the fall and what it will be like again when we are fully reconciled and in His full, healed world. Blessings! keep on!

Hank and Peggy

I can't remember the last time I slept so well and the sunrises in the morning over the pond were spectacular.

Children love the country-life ...

My wife and I wanted a few days retreat in the country side, and CornerStone Farm was the answer. Enjoyed Ward and Barbara's hospitality and were treated as members of the family. Room was very well furnished and decorated, and the stay was very comfortable. Our food was carefully prepared to our liking. Best place to relax and lay back. Add to it the Halligan's hospitality, and you won't find a better B&B anywhere.

Staying with you guys is a lot of fun, a great and memorable experience to bring back home. This is a very educational two-day getaway for us. I have learned so many things about animals especially the goat milking. I am very proud to tell my friends that I have milked a goat. The horse ride was a lot of fun, watching the poultry, the cows, the birds is very entertaining and additionally, life on the farm is never boring. We really had a good time! Good luck to you both!

This is the first B&B experience for us. We had not only received a warm-hearted welcome, but also received many knowledge's that we could not get from books or schools. We learned how to milk goats; Ko-Jen even created his own way of milking for a beginner. We saw a couple of White crowned sparrows (of course Ward identified them!) We also learned how to identify a Turkey vulture and a Black vulture. Well, it will take several pages to write down the wonderful time that we had here. Best wishes to Ward and Barb.

I just want to say thank you **so much** for letting us use your wonderful farm for the film. It looks beautiful! I think there are some folks on the set that may never get over the sight of seeing those little goat kids (myself included).

The day we spent on your farm was so fantastic - I wish the whole shoot was that much fun. It was a perfect note to end the shoot on, and it is thanks to your help and hospitality that it turned out so well. Best of luck to you and the animals, and as soon as the film is finished, I'll let you know.

Dear Christian Friends, thank you so much for your hospitality over and above - God is so good to us to provide you when we were tired. After an outstanding breakfast we were on our way to Columbus, OH. We met our schedule there on time.

What a great way to ring in the New Year! We thoroughly enjoyed our stay here. The girls especially loved petting the miniature horses. We felt very much at home. David and I both agree that this was definitely a well needed relaxing weekend and we were thankful to have found CornerStone Farm for our stay.

Thank you so very much for everything you did for us this weekend. It has been our most enjoyably relaxed weekends we have had in ages. Barb, you went above and beyond to meet our needs - thanks!!! Ward, you gave us a new wonder to think about with fowl and everything you do with that. Aaron and I had the best time getting back to our roots that we miss so much. Many thanks to you both! What a weekend to never forget.

We are so happy we found your web site It surely caught our attention. You couldn't be more thoughtful and gracious hosts to us and Lincoln. Barb, the surprise of the birthday gifts for Sandy was so wonderful, she was truly touched. We enjoyed our conversations, excellent meals, and an overall great time. I'm glad we found you on the Internet. This is a great farm and has allowed us a great family vacation. We enjoyed all the farm chores. Cid will never forget "the big one" he caught in the pond. [A 2 FOOT BASS BY A 5-YEAR-OLD]. The farm is a beautiful place and we wish you all the best with your Bed & Breakfast.
